

# From the GM

As we welcome the month of May, I want to take a moment to reflect on a very meaningful milestone – this marks my sixth anniversary serving as your General Manager. It has truly been an honor to work alongside our dedicated staff, Board, and membership to continue building a club experience we can all be proud of.

Over the past six years, our club has experienced tremendous growth and momentum. Together, we have achieved an incredible 73% increase in total income while also growing membership by 59%. These accomplishments are a direct reflection of the strength of our membership, the loyalty of our families, and the commitment our team brings every single day.

What makes these numbers most rewarding is what they represent – a vibrant and growing club community. We have expanded programs, strengthened relationships, improved facilities and services, and continued creating memorable experiences for members and guests alike. None of this would be possible without your continued support and enthusiasm for the club.

As we move into the busy spring and summer season, there is tremendous excitement ahead with golf, dining, family events, and many opportunities to enjoy everything the club has to offer. I look forward to continuing this momentum together and building an even stronger future for our club.

Thank you for your membership, your support, and for being part of this remarkable journey over the past six years. Here's to a fantastic May and an even brighter future ahead.

Warm regards,

**Brandie Thomas**  
General Manager
