

From the GM

Dear Members,

As part of our ongoing effort to ensure the financial stability and smooth operation of the Club, the Board of Directors and Club Membership, has approved a bylaw change regarding member accounts and payment timelines.

Effective April 15th, member accounts that reach 60 days past due will be placed in a suspended status until the outstanding balance is brought current. This adjustment helps the Club maintain consistent cash flow necessary to support our operations, staff, and the amenities that all members enjoy.

Additionally, any account that exceeds 60 day balance as of April 15th will automatically move into the suspended category at that time.

We sincerely appreciate the many members who consistently pay their club accounts in a timely manner. Your prompt attention to your statements helps the Club operate efficiently and continue providing the high-quality experience our membership expects.

If you have any questions regarding your account or this bylaw change, please feel free to contact the Club office.

Thank you for your understanding and continued support of the Club.

Warm regards,

Brandie Thomas
General Manager
