The Breeze

NOVEMBER
2026

Golf • Family • Tradition

Dear Members,

I am pleased to announce the promotion of Jeremy Phillips to Head Golf Course Superintendent at Berry Hills Country Club. This promotion recognizes his extensive experience in turfgrass management, his strong technical background, and his commitment to maintaining and enhancing the quality of our golf course.

Jeremy brings 24 years of experience in turfgrass management and golf course maintenance to this position. He spent 18 years at Edgewood Country Club, where he advanced from the entry-level grounds crew to Assistant Superintendent in just four years. During his time there, he developed a strong foundation in golf course maintenance and the high standards required to maintain an exceptional private club experience.

Jeremy also spent five years as a Project Manager and Superintendent with the County Parks & Recreation Department, where he oversaw the complete renovation of a nine-hole short course. This project included extensive grading, drainage improvements, irrigation installation, and green construction, providing him with valuable experience in golf course development and infrastructure.

Over the past 14 months, Jeremy has served as Assistant Superintendent at Berry Hills, directing daily maintenance operations, agronomic scheduling, moisture management, and crew assignments. His contributions have helped ensure our course is prepared each day to deliver the playing conditions our members expect and deserve.

With his extensive knowledge of turfgrass science, soil and fertility management, irrigation systems, and water conservation, Jeremy brings valuable expertise to this leadership role. I am confident that his experience and dedication will serve our club well as we continue to focus on the long-term health, playability, and presentation of our golf course.

Please join me in congratulating Jeremy on this well-deserved promotion.
We look forward to his continued contributions to Berry Hills Country Club
and to the future of our golf course.

Sincerely,

Brandie Thomas
General Manager
Berry Hills Country Club
