

From the GM

As we turn the page to March, there's a sense of excitement building around the Club. The days are gradually getting longer, the temperatures are beginning to moderate, and we know that the start of another wonderful golf season is just around the corner.

While winter has certainly reminded us that it isn't quite ready to let go, the anticipation of spring is in the air. Our grounds crew are already preparing the course for the months ahead, and we look forward to welcoming everyone back out onto the fairways. There's nothing quite like those first rounds of the season, reconnecting with friends and enjoying the beauty of the course after a long winter.

March also brings us closer to one of the most enjoyable family traditions at the Club—our Easter celebration. Easter is always a special time here, and we're excited to once again host our members and their families for a wonderful day of great food, friendship, and fun for all ages. Event details are included in this month's newsletter.

As always, thank you for your continued support of the Club. We look forward to seeing more of you around the clubhouse and, back out on the golf course.

Warm regards,

Brandie Thomas
General Manager

Now that our membership has grown well over 500 golfing and social members, we will need approximately 84 members to attend the meeting to have a quorum and conduct business.

As many of you are aware, the membership voted to amend the By-Laws in 2023 to allow proxies for members who cannot attend but wish to have their vote counted on any issue brought before the membership at the meeting.

Please contact Brandie Thomas if you desire to use this option to participate in the meeting.
