RULES

TEE TIMES

If for any reason a team misses tee time, they will join their opponents on the course and will forfeit a point for each hole played in their absence.

TEE SELECTION

Players MUST indicate on their application which tees they will play. Players 60 and over may play the gold tees.

HANDICAPS

All guest handicap indexes may be verified with the guest's home course. A "verified handicap" requires a minimum of 10 rounds recorded in the past year. Any guest without a verified handicap index will be handicapped by our Golf & Greens Committee. The committee reserves the right to adjust a handicap at any time.

TOURNAMENT RULES

Unless otherwise determined and announced by the Pro, USGA rules will govern play.

FLIGHTS

Six-team flights will be determined by each team's combined handicap index. If a particular flight does not have a full allotment of six teams, the teams in the flight will play against par or a fill in team.

SCORING

Points will be awarded for each match. The teams with the highest number of points in their flight at the end of the five matches will be the flight champions. Each match will involve the awarding of nine points to be computed as follows: one point for winning a hole, one half point for a tying hole, and zero points for a lost hole.

CONCESSIONS

In an effort to expedite play, teams are encouraged to concede a hole where it is clear that the opposing team will win the hole.

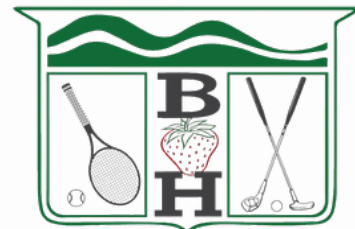

FORMAT

All round-robin matches will be played at net better ball; i.e., each player plays his own ball and the better score of the two counts. When handicapping these matches, the lowest handicapper will play to zero and the difference given to the other players.

TIES IN A FLIGHT

The order of breaking ties in a flight will be determined by:

- 1) Head to Head*
- 2) Last match total points, then next to last match total points and so on.*
- 3) A one-hole sudden death playoff (same format as tournament).*
- 4) A Merrill Lynch® style chip off.*

RULES

OVERALL CHAMPIONS (Shootout)

Flight winners will compete in a three-hole sudden death play-off on holes #1, #8, #9 to determine an overall champion.

Any handicap strokes given will be determined by the format as determined by the tournament proper.

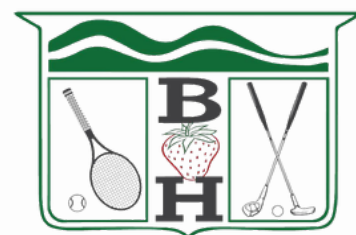

If there are ties to advance on holes #1 & #8, the second ball will be counted.

If still tied, a chip off will determine advances.

If there is a tie for the Overall Champion on hole # 9, the second ball will be counted. If still tied, a 50-foot putt on the putting green will determine the Champion. If two teams tie for second, the tie will be broken with a chip off.

RAIN DELAY

Rain delays or cancellation of matches because of inclement weather are at the sole discretion of the committee. If matches are rained out, the committee will determine how to proceed. If play is stopped, the sirens will be blown. Players should not stop play in the absence of the siren.

Flight Winners will receive a custom tailored blazer with our BHCC logo created by Master Tailor Anthony Paranzino
